

# Jour Fixe

WFP, FW, kHz, NJ, SS, FW

## General

- FW: New Mg poster basically now finished.
- NJ Thesis: Almost done with introduction
  - S. Rühmanns Thesis not found on AFS → Reminded us, to remind Steffen to sort his Data and make it available to us
- WFP: Further understanding SWAP-Cooling theory and incorporating dipoletrap
  - Nishad working on simulation. Comparison with T. Fischers results match
- SS: Further investigation of different coating materials at room temperature.
