

# Jour Fixe

WFP, SS, NJ, kHz

- Holidays
  - SS: Next week thursday
  - NJ: Next week thursday + friday
  - kHz: This friday
- Upstairs lab ok
  - TiSa power a bit low
  - Optimizing triplets
  - Feuermelder austausch → ~~Next week~~ Not before end of may
- Reslab
  - Nothing broken
  - Comb works, but not so good parameters
  - Clocklaser also working (but not the resonator yet)
- WFP
  - Simulations of last week wrong, because relied on harmonic approximation
  - Has two pro-seminar talks
