

Jour Fixe

kHz, NJ, SS, WFP

Atoms-Lab

- Verdi turns off with no real error code → Coherent contacted, no reply yet
- AC was broken but got fixed

WFP Simulations

- More simulations done for the group seminar talk
- Needs title by this thursday for the group seminar talk
- 500 ms down to 10 μ K with swap

General

- Hygiene rules put together
- SS, NJ: This thursday/friday holidays
- WFP: Full next week holidays
- kHz: This friday holidays

ResLab

- Laser locked again
- Comb lock good but still high DC value
