

Jour Fixe

NJ, WFP, PG, kHz

General

- Tisaph tender ends on 4.8.
 - kHz will contact Mr. Barkow by Wednesday
 - Left over money: ~1k → Stevie Minicircuits
- Working in Lab & Whatsapp/group notices:
 - Telling everyone, that you are in the lab via the group chat might not be necessary anymore
 - Only, if you are the only person of Mg present that day
 - Or if you are way early around/way longer and then are the only person then
 - Otherwise: Just inform your Mg colleagues, which are also around, when you work

Atomslab

- Laser 4 works again
- Yellow S-MOT laser misaligned
- Next: Wutz + Triplet

Reslab

- SS: Make Reslab work again
- Install new PCA

Quench

- AOM: 58 % in first order
