

Jour Fixe

NJ, NW, WFP, SS, TK

General

- NJ and SS have ProSeminar candidates
- Toptica SHG Installation scheduled for June

Nandan Thesis

- Working in progress
- Strange fit of sideband scan → under investigation

Atoms Lab

- Swaped L3 and L2-Z2 fibre, due to damaged output facette of former L2-Z2 fibre
- Coupled L3 into L2-Z2 fibre, to clear some space for CODT setup
 - after changes got saturated ODT
- Working on CODT setup
 - current status: aligned to irises
