

Meeting notes 15.11.21

Present: NW, KZ, IH, DF

Things to discuss:

- Power Shutdown: next
- RCD: Bartosch: waiting for response
- Cleaning of the windows: today or tomorrow

Nishad:

- Toptica output: 7% → 2.5mW is installed now
- : 10% → 30 mW, but diode current has to be increased for 250€ excl vat.
- SHG: can't be locked due to the lock of laser 4, in scanning mode in uW range
- implemented phaseshifter
